

27th March 2020

Dear Business Partners,

let us inform you about the current situation in První brněnská strojírna Velká Bíteš (PBS) in connection with the pandemic outbreak of SARS-CoV-2 coronavirus.

PBS takes all possible measures to ensure the health of its employees, their families and representatives of suppliers and customers.

The production of our products and services to our customers are still ensured.

We will do our best to meet our obligations and deliver the products and services ordered within the required deadlines. For more information on the execution of individual orders, please contact our sales representatives, who are still available for you via e-mail and telephone communication.

In case of PBS production suspension, we would inform you immediately via our website, social networks, or e-mail.

We would like to thank our employees, suppliers, customers and everyone who supports PBS even in these aggravated conditions.

Ing. Milan Macholán
